1 Introduction

- 1.1 This Manual constitutes the Company PAIA manual.
- 1.2 This Manual is compiled in accordance with section 51 of PAIA as amended by the Protection of Personal Information Act, 2013 ("POPIA"). POPIA promotes the protection of personal information processed by public and private bodies, including certain conditions so as to establish minimum requirements for the processing of personal information. POPIA amends certain provisions of PAIA, balancing the need for access to information against the need to ensure the protection of personal information by providing for the establishment of an Information Regulator to exercise certain powers and perform certain duties and functions in terms of POPIA and PAIA, providing for the issuing of codes of conduct and providing for the rights of persons regarding unsolicited electronic communications and automated decision making in order to regulate the flow of personal information and to provide for matters concerned therewith.
- 1.3 This PAIA manual also includes information on the submission of objections to the processing of personal information and requests to delete or destroy personal information or records thereof in terms of POPIA.
- 1.4 For purposes of this Manual, we refer to ourselves as "The Company", "we", "us" or "our".
